This notification serves as clarification to the reminder issued 3/1/24 for all providers utilizing form UB04 for billing purposes.

For outpatient services, all revenue codes require a corresponding procedure code (HCPCS or CPT) when applicable based on the National Uniform Billing Standard. Revenue Code 258 is excluded from this requirement.

Failure to list a procedure code with a revenue code where applicable when submitting claims to Aetna Better Health of Louisiana will result in a claim denial at the line level. Additionally, claims paid inappropriately may be subject to recoupment.

The following revenue codes require a corresponding HCPCS/CPT code:

- HR251 – HR257
- HR259 – HR269
- HR278
- HR300 – HR359
- **HR371 – HR444 (change from 370 to 371 per LDH 05/15/2024)**
- HR450 – HR636
- HR730 – HR761
- HR790
- HR820 – HR929
- HR942
